INDEX TO VOLUME XXV, THIRD SERIES.

(WHOLE SERIES, VOLUME XXXIII.)

Abdominal aorta, successful resection and suture of the ... 130
wounds, a method of protecting against infection by means of a peritoneal tube 15
Abduction treatment of fracture of the neck of the femur ... 816
Abnormal motility of the stomach a valuable factor in the diagnosis of gastric lesions... 208
Abscess of the prostate ... 442
subphrenic ... 409
Abscesses, fixation, in the treatment of puerperal infection ... 373
Absorption and excretion of strophanthin.... 247
Accidents in hernia operations... 288
Acetone in the treatment of inoperable cancer of the uterus ... 595
Acetonuria following ether anesthesia... 735
Acidity and gouty dyspepsia... 800
Acidosis, postanesthetic ... 778
Acne, the vaccine treatment of ... 418
Actinomycosis treated by potassium iodide.. 337
Action and dosage of phenolphthalein... 42
Acute gonorrhea in the male, the treatment of 162
hematogenous infection of one kidney in persons apparently well ... 134
intestinal obstruction, the etiology, diagnosis, and treatment of... 231
non-suppurative thyroiditis ... 54
rheumatism in childhood ... 267
the treatment of ... 576
toxemias, the treatment of ... 260
Acutely insane, remarks on treatment of the. 875
Adenitis, tuberculous—the surgical treatment of ... 215
Adenoids, sequelæ of ... 440
Administration of anesthetics ... 660
Adrenalin chloride, the use of in the eye, ear, and throat ... 712
in hemoptysis ... 723
in infective diseases ... 39
injections, intravenous, in the treatment of collapse ... 559
in surgical accidents ... 418
in tabetic crises ... 558
in the treatment of bronchial asthma.... 515
of diphtheria ... 203
of hay-fever ... 857
of hemophilia ... 369
of internal hemorrhage ... 708
of shock ... 172
of urethral strictures ... 513
the diuretic action of and the active principle of the pituitary gland ... 183
the intravenous injection of in circulatory depression ... 736
Adrenal in the control of bleeding after abortion ... 776
Affections of the skin, the treatment of.... 97
Albuminuric retinitis ... 489
Alcohol and carbolic acid in the treatment of erysipelas ... 340
injections in neuralgias ... 789
in the treatment of facial neuralgia. 540
of tic-douloureux ... 879
injection treatment for neuralgia and rheumatism ... 579
in neuralgia and spasm... 446
Alcoholic abuse, dyspepsia due to... 415
poisoning, acute experimental—lesions of the nerve cells and vascular tissues produced by ... 640
Alcoholism, with special reference to its treatment ... 4
Alkaline treatment of diabetes ... 351
Alleged dangers of the conjunctival reaction. 412
Ambulance service of London ... 455
Amebic dysentery, the ipecac treatment of... 878
hepatitis, ipecacuanha treatment of... 383
infection, treatment of ... 358
Ampoules in the employment of chloroform. 803
Amputation stumps capable of bearing weight, the production of ... 60
Analgesia, spinal ... 200, 889
Anastomosis for the treatment of facial palsy 665
intestinal, by invagination ... 522
Anatomy of the lymphatics, the practical bearing of the on colonic resection for cancer ... 585
Anemia, artificial, of the lower part of the body ... 895
Anemia, chloroform in... 246
in infancy, the treatment of with citrate of iron administered subcutaneously... 877
pernicious, treated by lecithin and arsenic —treatment of ... 282
surgical, and resuscitation ... 347
the rôle of in anesthesia ... 509
Anesthesia by gas-ether ... 651
general—ethyl chloride in ... 29
inhalation ... 334, 636
the rôle of anemia in ... 900
venous ... 651
treatment of shock during ... 422
Anesthetics and the status lymphaticus... 714
general ... 257
in general practice ... 254
laws affecting the administration of in England ... 662
local, other than cocaine ... 531
the administration of ... 547
the effects of upon body temperature... 660
Aneurism, popliteal arteriovenous—extirpation of a ... 707
Anorexia, chronic—curative effect of rest in. 285
Anterior poliomyelitis, acute—a personal experience with ... 185
Anthrax, serum treatment of ... 627
Antiseptic mouth-washes ... 285
Antispasmodics and the cure of spasms... 644
Antistreptococcic serum, an experience with.. 638
Antitoxin in the treatment of tetanus... 607
treatment of diphtheria ... 321
Antitoxins, the oral administration of... 424
Apomorphine as a hypnotic ... 341
Apparent death, resuscitation after ... 388
Apparently drowned, resuscitation of the.... 354
Appendiceal operation, obstruction after... 121
Appendicitis, acute—intestinal obstruction as a complication of ... 290
the treatment of septic cases of... 236
Appendicostomy in the treatment of diarrhea. 240
Appendix, the fat ... 869
Appleman, Leighton F.: Relation of the Eye to General Disease ... 823
Argyrol, the sealing of in the urethra as a method of curing quickly beginning gonorrhea ... 486
Arm amputation with local cocaine anesthesia 767
Arrhythmias, cardiac, and their treatment.... 751
Arsenic and lecithin in the treatment of pernicious anemia ... 575
and tuberculin, the conjoint use of... 282
in diseases of the skin... 341
in the treatment of chorea ... 118
Arterial action of pituitary extract... 28
Arthritis deformans ... 262
Artificial anemia of the lower part of the body 259
bloodlessness of the lower part of the body ... 895
pneumothorax in the treatment of severe lung diseases ... 51
respiration, the best method of employing 128
Art of right living ... 20
Asthma, bronchial—the treatment of... 80
management of ... 515
the relation of diphtheria antitoxin to.. 269
Ataxia, locomotor—surgical treatment of.... 159
Atoxyl, action of on the eye... 591
in the treatment of malaria ... 273
of psoriasis ... 799
of syphilis ... 177, 400, 404
poisoning, a fatal case of... 118
the effect of on the eye ... 727
Atrophic rhinitis, the pathology and treatment of ... 733
Atropine sulphate and atropine methyl bromide in diabetes mellitus ... 800
Aural vertigo ... 791
Autoinoculation and reinfection of syphilis... 568
631

Bacillary infection of the urinary tract treated by the corresponding serum and vaccine 600
Bacillus prodigiosus and erysipelas, the value of the mixed toxins of in inoperable sarcoma ... 503
Bacterial content of whey ... 779
inoculation in increasing numbers, beginning with one living organism, immunity production by ... 347

Bactericidal property of milk 184
Baldness 721
Ballenger, Edgar G.: A Method of Curing Quickly Beginning Gonorrhea by Sealing Argyrol in the Urethra 767
Balsam of Peru in the treatment of scabies.. 141
Barnett, R. T.: A Personal Experience with Acute Anterior Poliomyelitis 627
"Beef, wine, and iron," the limited value of preparations of 21
Bee stings and rheumatism 193
Benedict, A. L.: Overdosage in the Treatment of Tuberculosis 694
The Chopped Meat Diet 323
The Value of Phenolphthalein from a Therapeutic Standpoint 622
Benzine poisoning 279
Berger, Henry I.: Stypticin in Uterine Hemorrhage 542
Best method of employing artificial respiration 20
Bier treatment, dangers of the..... 665
Bilateral nephrolithotomy for stone in the kidneys 672
Bile, the action of upon intestinal peristalsis and the circulation 11
Biliary tract, inflammation of the—treatment of 41
Bismuth subnitrate, toxic effects from...204, 355
Bladder and urethra treatment, errors in.... 589
Bleeding after abortion, the injection of adrenalin to control 776
and blistering in present-day therapeutics 8
Blind, improvement of the welfare of the.... 835
Blood coagulability, the value of calcium chloride and citric acid for the purpose of influencing 551
transfusion, a new method for 213
direct 331
by means of paraffin-coated glass tubes 892
vessels, the surgery of 673
Bloodlessness, artificial, of the lower part of the body 51
Blood-pressure as a guide to transfusions in cholera 761
estimation of—relative value of the finger and the sphygmomanometer in the 249
high, vasodilators in 570
in man, the regulation of..... 113
with special reference to high altitudes 115
Body temperature, the effects of anesthetics upon 707
Boils, the treatment of 649
Bone and joint tuberculosis 666
disease, malignant—earlier diagnosis of. 740
formation by injection of periosteum emulsion 895
tuberculosis, Cuguillere's serum in the treatment of 394
Bowel obstruction as a complication of acute appendicitis 236
due to some form of tuberculosis.. 233
Brachial neuralgias, painful shoulder, or neuritis 780
Brain foods, phosphorus compounds as..... 561
Brand bath in typhoid fever..... 427
Brav, Aaron: The Treatment of Interstitial Keratitis 691
Breasts and nipple, care of the during pregnancy and the puerperium 663
Breast tuberculosis 902
Brinkmann, Leon: Intestinal Obstruction as a Complication of Acute Appendicitis 236
British Pharmacopœia, report of the therapeutic committee on the revision of the.... 195
Broken cardiac compensation, the intravenous use of strophanthin in 890
Bromides in the treatment of epilepsy...180, 502
Bronchial asthma, the treatment of..... 515
Bronchitis, capillary, in children—mustard packs in treatment 266
Burns, treatment of 506
Butlin's operation for cancer of the mouth, three years' experience of..... 366

Cæsarian section in the treatment of complete placenta previa 812
Calcaneo-cavus, paralytic—an operation for:. 375
Calcium chloride and citric acid, the value of for the purpose of influencing the coagulability of the blood 551
lactate in hemorrhages of the upper air tract, clinical experiences with..... 882
salts in gastric tetany 792
sulphide in relation to surgery and contagious diseases 883
Calculi in the kidney and ureter, the diagnosis and treatment of 61
Calculus of the ureter, treatment of by visceral drainage 77
Calmette's reaction and Pirquet's test..... 37
Cammidge reaction in pancreatic disease..... 291
Cancer of the ductus choledochus at the papilla of Vater 671
of the genito-urinary organs, the treatment of 22
of the large intestine, radical operation for 739
of the mouth, three years' experience of Butlin's operation for 366
of the rectum, operation for..... 360
of the stomach, the treatment of..... 428
of the tongue, mouth, and jaw, results of operations for 523
of the uterus 741
inoperable—the treatment of.. 595
the enzyme treatment of 884
the practical bearing of the anatomy of the lymphatics on colonic resection for 585
treatment of with the high-frequency spark and high-tension current..... 129
Cancers, superficial—radium in the treatment of 33
Cannabis indica, extract of, in exophthalmic goitre 628
Capillary bronchitis in children, mustard packs in treatment of 266
Carbolic acid and alcohol in the treatment of erysipelas 340
Carbon dioxide snow, results of the application of 357
Carbonic acid snow, the making of for freezing purposes 448
Carcinoma, recent developments in the therapeutics of 287
Cardiac arrhythmias and their treatment..... 575
disease as a complication of pregnancy... 267
marriage by the subjects of..... 713
physiology and pathology, the relation of some of the recent advances in to treatment 685
therapy, drugs in 124
Care of the breasts and nipple during pregnancy and the puerperium 663
of the rheumatic child 336
Carey, Willis W.: Chronic Constipation..... 624
Carotids, external—ligation of the..... 596
Cataphoresis for gout 797
or ionization, treatment by 736
Catarrh, chronic intestinal 125
Cathartic drugs, investigations upon the irritating effects of 883
Cecal hernia 443
Cerebral arteries, treatment of diseases of the 342
Cerebrospinal fever, the serum treatment of. 44
meningitis, the serum treatment of..... 345
the treatment of by Flexner's serum. 32
Cerium oxalate for vomiting 354
Certain complications of pneumonia..... 276
Chance, Burton: On the Use of Mercury by the Ophthalmic Surgeon 843
Chancroid, treatment of with hot irrigations 899
Changes in the vascular system and their bearing on treatment 863
Chaparro Amargoso in the treatment of amebic infection 358
Childhood, pyelocystitis in 671
Children and infants, spinal anesthesia in.... 887
Chloretone in tetanus 557
in the treatment of chorea 112
of tetanus 784
Chloroform and delayed chloroform poisoning 389
in anemia 246
in the treatment of pulmonary hemorrhage 777
poisoning, delayed 389, 661
liver necrosis, and repair..... 882
Cholecystitis, with suggestions for the prevention of gall-stones 186
its early recognition and early surgical treatment 216
Cholera, hypertonic transfusion in controlled by observations on the blood changes. 761
the value of taking the specific gravity of the blood during saline transfusion in. 103
treatment of 420
Chopped meat diet 323
Chorea 28
intraspinal injections of magnesium sulphate in 568
the treatment of with chloretone 112
Christian, H. M.: The Treatment of Acute Gonorrhea in the Male 162
Chronic constipation 624
diarrhea 871
eczema, treatment of 424
inflammatory tumors of the abdominal wall after operation for hernia..... 216
intestinal catarrh 125
Cicatricial pyloric obstruction, fibrolysin in.. 63

Circulatory depression, the intravenous injection of adrenalin in 736
Citrate of iron administered subcutaneously in the treatment of anemia in infancy..... 877
Clark, John G.: Redundant Sigmoid..... 242
Results Following Operations 1
"Clean midwifery" in general practice..... 733
Cleft palate, operation for by peroral intubation 673
Clinical notes on gouty throat 798
results of the percutaneous tuberculin reaction 724
significance of glycosuria in pregnant women 277
Coagulability of the blood, the value of calcium chloride and citric acid for the purpose of influencing the 551
Cobra venom and diphtheria toxin, an investigation of 260
Cocaine anesthesia, local, for amputation of an arm 751
Colchicum in the treatment of gout..... 657
Cold bath in typhoid fever 427
in the head, general and local treatment of 318
to the heart in the treatment of tachycardia 505
Colitis, mucous—treatment of..... 718
ulcerative—a discussion on 227
and its treatment 433
Collapse treated with intravenous adrenalin injections 559
Colles's fracture, deformity following 293
Colonic resection for cancer, the practical bearing of the anatomy of the lymphatics on 585
Combating infection by means of drugs..... 401
Common and hepatic ducts, surgery of the.. 283
mistakes in ophthalmic practice..... 510
Complicated vaginal delivery, the surgical treatment of 305
Compression for the removal of the nail of the great toe 808
Congenital hip dislocation 747
Conjunctival reaction, alleged dangers of the tuberculin reaction as a means of diagnosis and control 255
Conjoint use of tuberculin and arsenic..... 341
Constipation, chronic 624
—the operative treatment of 406
in children, the treatment of..... 890
Contagious diseases and surgery, calcium sulphide in relation to 883
Contracture and Volkmann's ischemic paralysis 209
Control of internal hemorrhage 708
Convulsions in infancy and childhood, the treatment of 166
Coryza vasomotor periodica: its prophylaxis and treatment 851
Country doctor, a 836
Cow's milk, experiments on the germicidal action of 123
Cuguillere's serum in the treatment of bone tuberculosis 394
Curative effect of rest in children 185
Cutaneous and conjunctival tuberculin tests in the diagnosis of pulmonary tuberculosis 640
tuberculin reaction, a modification of the 561
Cyanide fumes, the therapeutic effect of..... 152
Cystocele and uterine prolapse, the operative treatment of cases of 749

Dangers attending operations upon gonorrheal subjects 618
of the Bier treatment 665
of the ophthalmo-reaction 184
Davis, Edward P.: The Surgical Treatment of Complicated Vaginal Delivery..... 305
Deafness following febrile diseases, and its prevention 582
Death from thymus growths 552
Deaver, John B.: Surgery of the Stomach... 309
Deformity following Colles's fracture 293
Delayed chloroform poisoning 389, 661
Delirium tremens, results of treatment of... 567
De Schweinitz, G. E., and Holloway, T. B.: The Operative Treatment of Papilloedema Dependent upon Increased Intracranial Tension 457
Diabetes mellitus, diet in 122
facts in connection with..... 350
the effects of some drugs in..... 868
the use of atropine sulphate and atropine methyl bromide in.... 791
treatment of 513, 658
—the possibility of its prevention or postponement of its onset..... 431
Diagnosis and therapeutics, lumbar puncture in 117
of tuberculosis 199

Diarrhea a fly-borne affection..... 577
chronic 871
the surgical treatment of 868
Dietary for goutily disposed persons..... 801
Diet in diabetes mellitus 122
in gastric ulcer 550
in the treatment of chronic diarrhea.... 872
in typhoid fever 359, 891
without salt 38
Digestive disorders, an exclusive proteid diet in certain 105
ferments, the interaction of 867
Digitalis in the treatment of cardiac disease. 124
squill, and strophanthus, the value of.. .493
the standardization of 730
Digitalone, a standardized preparation of digitalis 516
Diphtheria 424
antitoxin in the treatment of asthma.... 271
untoward results from, with special reference to its relation to asthma 159
treatment of 256
of, with special reference to the prevention of heart failure 807
Diphtheric paralysis 203
Direct blood transfusion 331
by means of paraffin-coated glass tubes 892
Disease of the heart, chronic—the treatment of 650
the vaccine treatment of with opsonic control 858
treatment of 805
Diseases of the cerebral arteries, treatment of the 342
of the heart, the treatment of..... 556
of the prostate, the prognosis and treatment of 480
of the skin, arsenic in 118
of women, the treatment of..... 32
Dislocation of the hip, congenital..... 747
Diuretic action of adrenalin and the active principle of the pituitary gland..... 183
Diuretics, the physiological action of and their comparative value 794
Diverticula of the sigmoid flexure, multiple.. 56
Douglas, Charles J.: Apomorphine as a Hypnotic 388
Dropper ampoules 803
Drop phalangette 293
Drug administration in children—the value of the inunction method 275
treatment of the senile heart and bloodvessels 194
Drugs as a means of combating infection.... 401
in cardiac therapy 124
the effects of some in diabetes mellitus.. 868
Ductus choledochus, cancer of the at the papilla of Vater 671
Dysentery, amebic—the ipecac treatment of.. 878
—treatment of 358
and hepatitis 151
Dyspepsia due to alcoholic abuse..... 415
gouty, and acidity..... 800

Earlier diagnosis of malignant disease of the bone 740
Early recognition and treatment of puerperal sepsis 795
treatment of certain injuries to the eye.. 179
of some epitheliomas by pure radium salts 338
Easy method of removing the nail of the great toe by compression 808
Eclampsia, puerperal 188, 426
the treatment of 428
the value of veratrum viride in the treatment of 96
Eczema, chronic treatment of..... 424
in children 110
of the toes 522
the treatment of 642
Eczematous patients, treatment of..... 720
Electrical treatment of neurasthenia..... 182
Electrolysis in the removal of superfluous hairs 728
Elephantiasis treated by lymphangioplasty... 451
Elixir of life, modern—lactic acid bacilli as a 34
Embolism of the lungs, postoperative..... 53
of the pulmonary artery, operative treatment of 143
pulmonary, after injections of mercury.. 294
Emergency operations, the relation of shock to 517
Emmanuel movement of mental healing..... 75
Emotional states, the influence of on the functions of the body and the influence of drugs 405
Empyema 48
Enlarged thyroid, treatment of..... 349
Enucleation of the tonsil by the finger..... 221
Enzyme treatment of cancer..... 884

Epididymis and testicles, surgical treatment in tuberculosis of the 593
Epididymo-vasosotomy for the relief of sterility, the operation of..... 837
Epilepsy, bromides in the treatment of...180, 502
Epithelioma, the treatment of by Roentgen rays 41
treated by pure radium salts..... 338
Epitheliomas, radium in the treatment of.... 33
Ergot in the treatment of delirium tremens. 567
liquid extract of—the value of samples of the 807
Errors in urethra and bladder treatment..... 589
Erysipelas, successful external treatment of. 649
treated by means of carbolic acid and alcohol 340
Essential hematuria and nephralgia 523
incontinence of urine 23
Ether anesthesia compared with nitrous oxide and oxygen anesthesia..... 653
followed by acetonuria..... 735
Ethyl chloride in general anesthesia.....334, 636
Etiology, diagnosis, and treatment of acute intestinal obstruction 231
Excision for the treatment of procidentia recti 589
Exclusive proteid diet in certain digestive disorders 105
Exophthalmic goitre, extract of cannabis indica in 628
the x-ray treatment of... 92
thyroidectomy for 436
Expectorant treatment of labor..... 740
Experimental production of acute toxic ulcer of the stomach 822
studies of the results of nephrotomy in the human kidney 59
Experiments on the germicidal action of cow's milk 123
Exstrophy, remote results of implantation of the uterus into bowel for..... 296
External carotids, ligation of the..... 596
uses of magnesium sulphate, with a brief reference to cases 274, 456
Extirpation of a popliteal arteriovenous aneurism 285
Eye, action of atoxyl on the..... 273
ear, and throat, use of adrenalin chloride in the 712
injuries, the early treatment of..... 179
relation of the to general disease..... 486
the effect of atoxyl on the..... 733

Facial neuralgia treated with injections of alcohol loco dolenti 540
palsy treated by anastomosis 665
Facts and fancies in pharmacology..... 865
in connection with diabetes mellitus..... 350
Fatal case of poisoning by atoxyl..... 727
Fat appendix, the 823
Febrile diseases, deafness following, and its prevention 582
process in the body a protective reaction 356
Feeding in typhoid fever 629
Femoral neck fracture, non-operative treatment of 293
Femur, fracture of the neck of the—abduction treatment of 816
Ferments, digestive—the interaction of..... 867
Fever 356
—should it be treated?..... 17
Fibrinous and serofibrinous pleuritis, the treatment of 641
Fibrolysin in cicatricial pyloric obstruction.. 63
the influence of upon scar tissue 738
Filiform stricture of the urethra, treatment of by gradual dilatation 612
Finger enucleation of the tonsil..... 221
Fistula, pancreatic—treatment of 681
Fixation abscesses in the treatment of puerperal infection 373
Flexner's serum in the treatment of cerebrospinal meningitis 32
Flies and milk contamination 577
Fluids and sterilized air, subconjunctival injections of 139
Fluorescent salts, the use of..... 525
Forster's operation in the treatment of spastic palsy 670
Fracture of the femoral neck, non-operative treatment of 293
of the neck of the femur in adults, the operative treatment of 132
the abduction treatment of... 816
of the os magnum 285
Fractures, modern treatment of..... 554
of the skull, percussion as an aid to the diagnosis of 676

Freezing as a therapeutic measure..... 447
Functional relation of the tonsil to the teeth 744
Fundamental conceptions which should govern modern obstetric practice 788

Gall-bladder and appendix operations, hemorrhage following 57
Gall-stone disease, early recognition and surgical treatment of 216
Gall-stones, the operative treatment of..... 283
the treatment of 41, 186
Gas-ether anesthesia 29
Gastric crises, treatment of by resection of the seventh to tenth posterior dorsal roots 901
digestion of infants, the effect of certain so-called milk modifiers on the..... 648
lesions, abnormal motility of the stomach a valuable factor in the diagnosis of.. 208
tetany 58
the therapeutic value of the calcium salts in 792
ulcer, diet in 550
surgical treatment of 813
the Lenhartz treatment of..... 115
